ETI Report 2017

Why should I choose Tummery P.S. for the education of my child?

1. Small, Rural School – Great Pastoral Care

Situated just 4 miles from Dromore.

Small class sizes – a great opportunity to help children on a one-to-one basis.

A child-centred approach – we know each child intrinsically and help to develop each child.

Pupil council – pupils have a voice about what happens in the school.

Staff who are approachable and adaptable.

2. High Performing School

Dedicated staff who work hard to provide the best for each child.

High academic standards in literacy and numeracy that are above the UK average.

The latest resources to assist with learning.

Utilising tutors in specific areas of expertise.

3. School Environment

Welcoming atmosphere – a small school with a very caring and inclusive ethos.

Outdoor play area with play frames and football pitch used by our coaches.

Spacious classrooms.

Up to date ICT resources – I Pads, Sphero etc.

4. Links with Parents & Community

Friends of Tummery parent group that are very pro-active

Tummery Tots parent and toddler group

Very supportive parents.

A hard working Board of Governors who work tirelessly for the benefit of the school.

5. Shared Education Opportunities

All children benefit from Shared Education learning.

Weekly opportunities to attend Shared Education classes in

St. John's Business and Enterprise College.

A great way to get to know local children who attend other schools.

Developing the bond between Tummery and St. John's.

Shared Education Opportunities

We hope that you get a flavour of the benefit of attending Tummery Primary school. Although we are a small school, we feel lucky as the pupils who attend here have the luxury of small class sizes and pupils can get more opportunities for working closely with the class teacher.
